"STRAIGHT THROUGH"

A Five Reel Western Featuring

William Desmond

G- D- O'Day, the terror of Red Gulch plays poker with Granger, a gambler, and wins all his money. Denver Nell, queen of the entertainers pulls a sad story and O'Day gives her the money. Then, thinking that he might need some for himself, he returns, only to see her sharing it with Granger.

He leaves, disgusted, and decides to change his habits, after attending a gospel meeting. Arriving in another town, he meets Eric Snowden, a wealthy rancher, who is his best friend. O'Day, now known as Good Deed O'Day, loves, and is loved by Mary, who is Snowden's sister. Snowden, at the same time, promises a surprise when he returns from Denver.

The great surprise proves to be Nell. O'Day meets her, alone, and promises to say nothing if she will only play square with Snowden. She deliberately violates her word, meeting Granger on a number of occasions. Snowden gets word of O'Day's so-called attentions to his wife, and whales into O'Day.

At this time, Nell and Granger plan to run away, when Snowden enters. In the scuffle, he is shot. O'Day is accused, but in the end, he runs Granger down until the sheriff's posse ~~arrives~~ arrives. And he clears the way ^{for} Mary's love.
